

# IMPACT FINANCE

## Ingenuity Driving Change for a Better World

From day one, MIT's approach to finance has applied a bold vision to solve complex problems and fuel progress in the world. When you connect with Finance at MIT, you bridge academia, industry and policy through a dynamic and collaborative culture of ingenuity, ready to make impact against the world's most pressing challenges. If you're committed to making an impact—whether through investing, healthcare, sustainability, policy, or inclusive access to capital—you'll find a partner in MIT.

Rigorous

### ACADEMICS

built on theory and practice

Hands-on, real-world experiences provide an essential foundation on the disciplined science, and principled application of finance.

Unique

### CULTURE

of impact and ingenuity

MIT draws the world's most curious, innovative, collaborative and passionate minds, committed to making an impact and improving the world through finance.

Dynamic

### ECOSYSTEM

engaged in global impact

Renowned finance educators, researchers and practitioners work alongside diverse and accomplished students and alumni on solutions to real-world problems.

# Explore MIT's Impact Finance Resources

**“ Today’s organizations are being asked to define their purpose beyond profits; we develop leaders and solutions that can answer those questions. ”**

Gita Rao, Senior Lecturer  
Instructor of 15.453 Finance Lab and 15.499 Social Impact Investing

## Centers & Initiatives

Push the boundaries of social impact through research, education and thought leadership that advances pioneering tools and practices and empowers students, faculty, alumni, and global leaders to act:

- MIT Golub Center for Finance and Policy
- MIT Sloan Sustainability Initiative
- Legatum Center for Development and Entrepreneurship
- MIT Energy Initiative
- MIT Center for Energy and Environmental Policy Research

## Clubs & Communities

Exchange ideas and work toward a more sustainable world through hands-on experiences, access to the global impact community, and career support:

- MIT Sloan Impact Investing Initiative (Mi3)
- MIT Sloan Net Impact
- MIT Sloan Entrepreneurs for International Development (SEID)
- MIT Social Entrepreneurship Alumni Group (SEAG)
- MIT Investment Management Club (IMC)

## Conferences & Competitions

Gain real-world perspectives on global challenges through innovative events and competitions that engage and train the next generation of impact finance experts and tech-based social entrepreneurs.

- MIT Solve
- MIT Investment Conference
- MIT Sustainability Summit

## Academics for Change Makers

### MIT Sustainability Certificate

Allows finance students to dive deep into sustainability, understand challenges and develop strategies that help them drive organizational change.

### MFin Impact Finance Concentration

For students with a passion for using finance tools and expertise to generate positive social, environmental and governance impact alongside financial return.

### Social Impact Courses

Targeted opportunities to develop a solid analytical understanding of the spectrum of social impact investments and opportunities in various industries and regions.

### Action Learning Labs

Immersive, hands-on experiences where students and faculty collaborate with leading finance practitioners on real-world projects to make impact.

### Environmental and Organizational Sciences

Finance students can cross-register at MIT and broaden their world view through scientific and behavioral knowledge and experiences.
